Advantages Lubricant Engineering Company

# Board of director

**Kittidet Thongkham**  
Sales & Marketing Director

**Nikorn Thanavong**  
Managing Director

**Arnon Nawaraks**  
General Manager / Director

Advantages Lubricant Engineering Company

# Vision

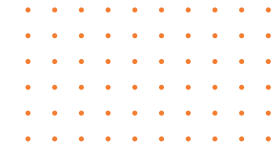

- **Focus in Metal Working Lubricants and Rust Preventive with Related Products.**
- **Develop Advantage Lubricant Products by Engineering Concept.**
- **Develop to Green Product**
- **To be Regional Brand and Global Brand.**

Advantages Lubricant Engineering Company

# History

Start business and blending "Lube-Kote"

Move to new factory start blending "Lube-Form" and "Lube-Cut"

Start blending tank No.2

Joined seminar with CHS-ASIA  
Change the name to  
CHS-ASIA Chemicals Co.,Ltd., use "98Oils"  
Brand and start to blending "Randocut Series"

Certificated ISO 9001: 2008 and  
Start to contact Vietnam agent and Indonesia

Share with PT.Asih Utama blending and  
sale 98Oils products

Go AEC Market

ISO 9000:2015

Local blending Indonesia

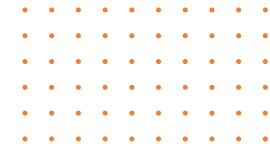

Launch new product "Randocast"

Advantages Lubricant Engineering Company

# ISO Certificate

## Certificate of Registration

This certificate has been awarded to

**CHS-ASIA CHEMICAL CO., LTD.**

22/6 Moo 4, Soi Rinchokechai, Thepharak Road, Bangplee Yai,  
Bangplee, Samutprakarn, 10540, Thailand

In recognition of the organization's Quality Management System which complies with

**ISO 9001:2015**

The scope of activities covered by this certificate is defined below

**Manufacture, Sale and Service of Industrial Oils and Lubricants**

## ISO 9001:2015

Certificate Number: 56122/A/0001/UK/En

Date of Issue Certification Cycle	Issue Number	Certificate Expiry Date	Certification Cycle

Advantages Lubricant Engineering Company

# WELCOME TO Metal Working Product

**Lube-Form**  
Forming Oil

**Randocut**  
Water Soluble Cutting Fluid

**Lube-Kote**  
Rust Preventive

**Ramudo**  
Forging Lubricant

**Lube-Clean**  
Cleaner Fluid

**Gen-Lube**  
General Lubricants

**Lube-Cut**  
Neat Cutting Oil

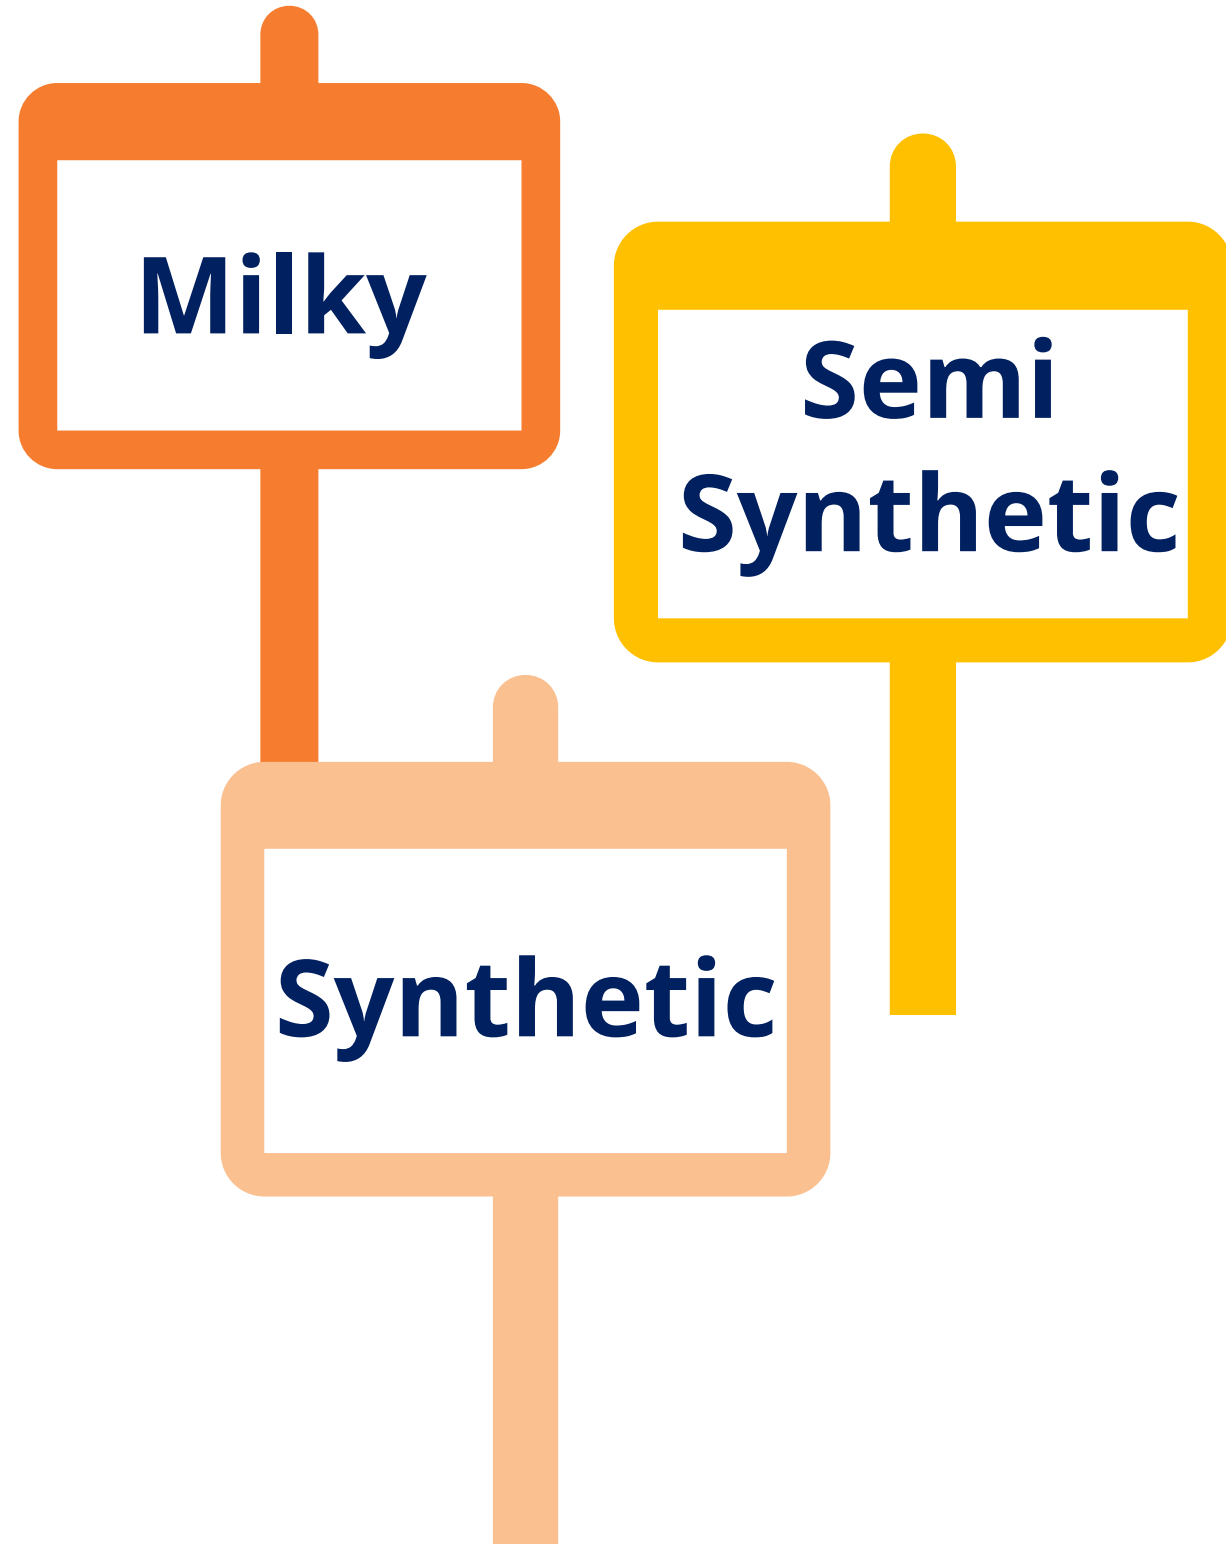

**Grease**

Advantages Lubricant Engineering Company

# Water Soluble Cutting Fluids

## Randocut

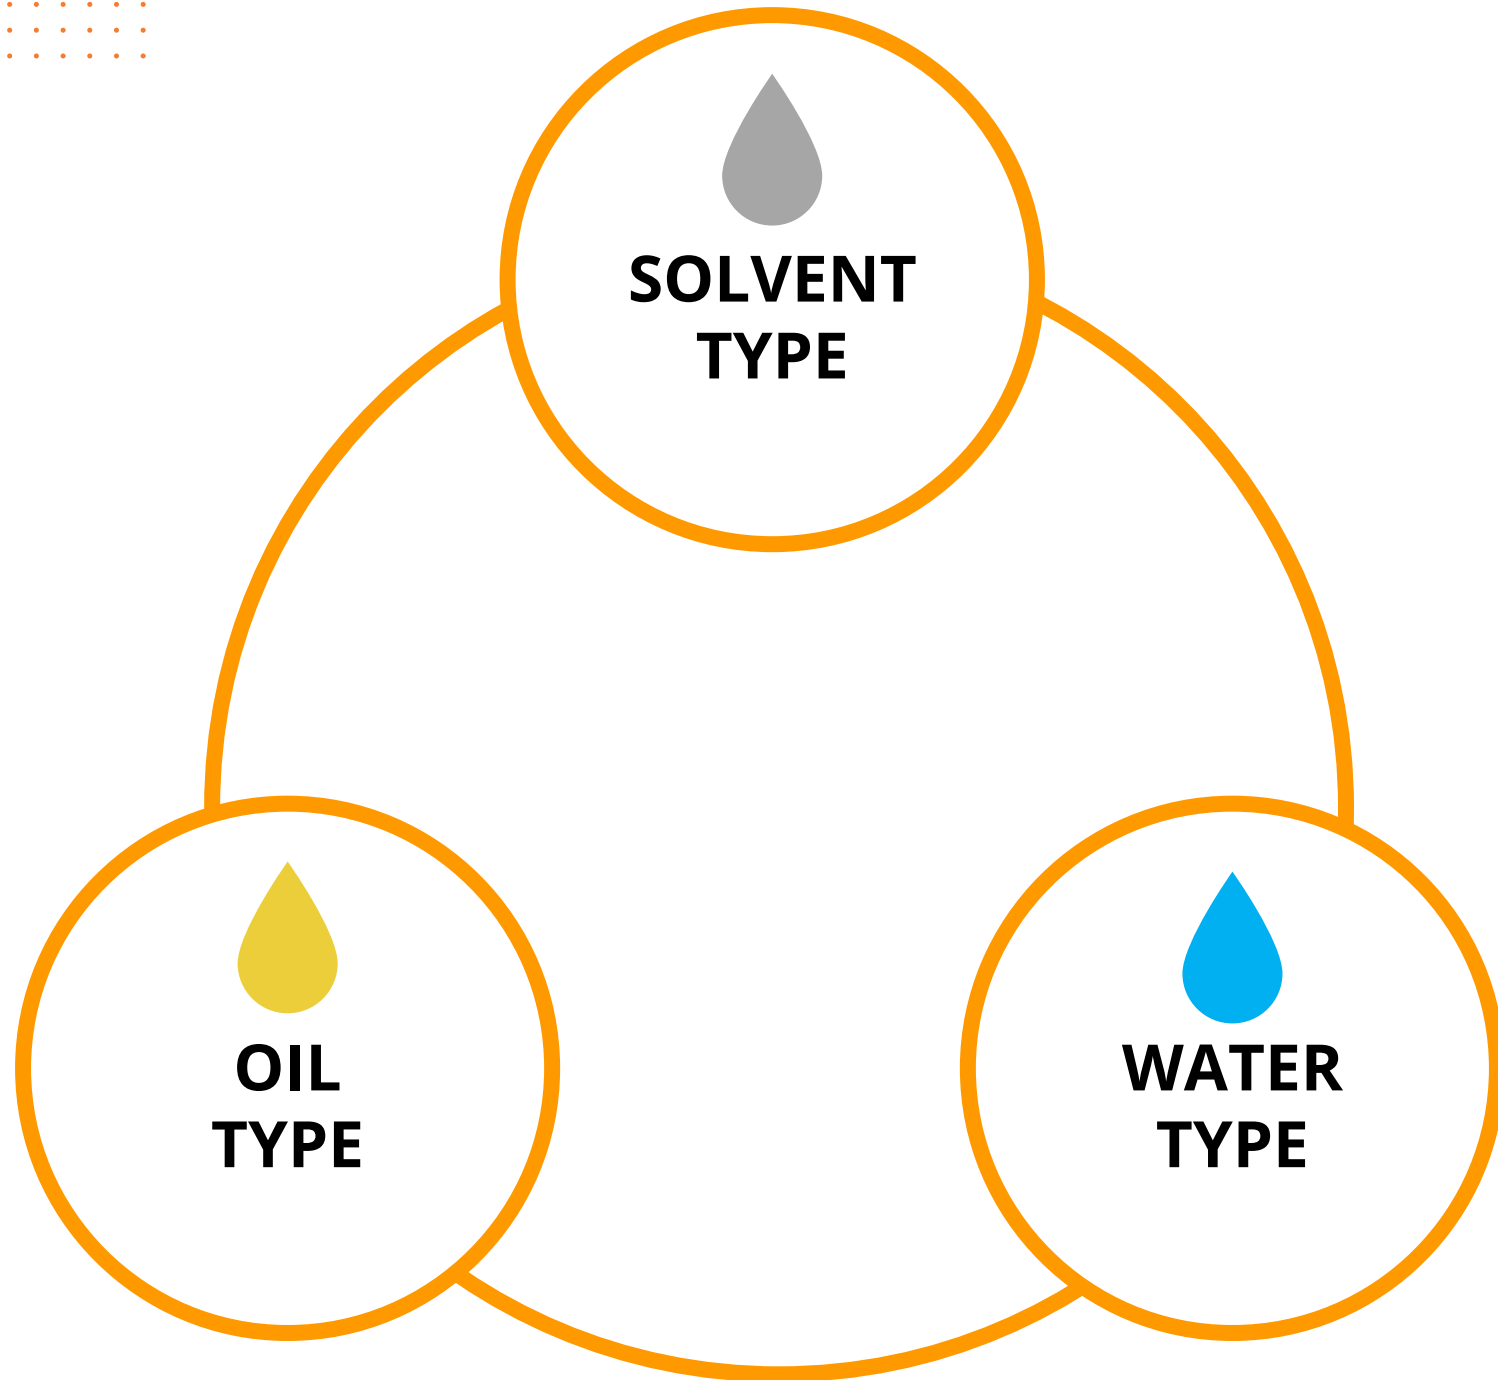

### Product Advantage

- It can effectively reduce the temperature during metal cutting.
- Prevent scratches during cutting workpiece.
- We have cleaning CNC tank and Coolant well service which company agreement.

Advantages Lubricant Engineering Company

# Rust Preventive Lube-Kote

## Product Advantage

- Customers are able to select the type of rust prevention oil that is suitable for the duration of rust protection required.
- The oil is available in three options to choose from Solvent Type, Water type, Oil Type
- We have a team dedicated to providing consultation and resolving issues arising from usage.

Advantages Lubricant Engineering Company

Low Flash  
Point  
40 °C +

High Flash  
Point  
180 °C +

# Forming Oil

## Lube-Form

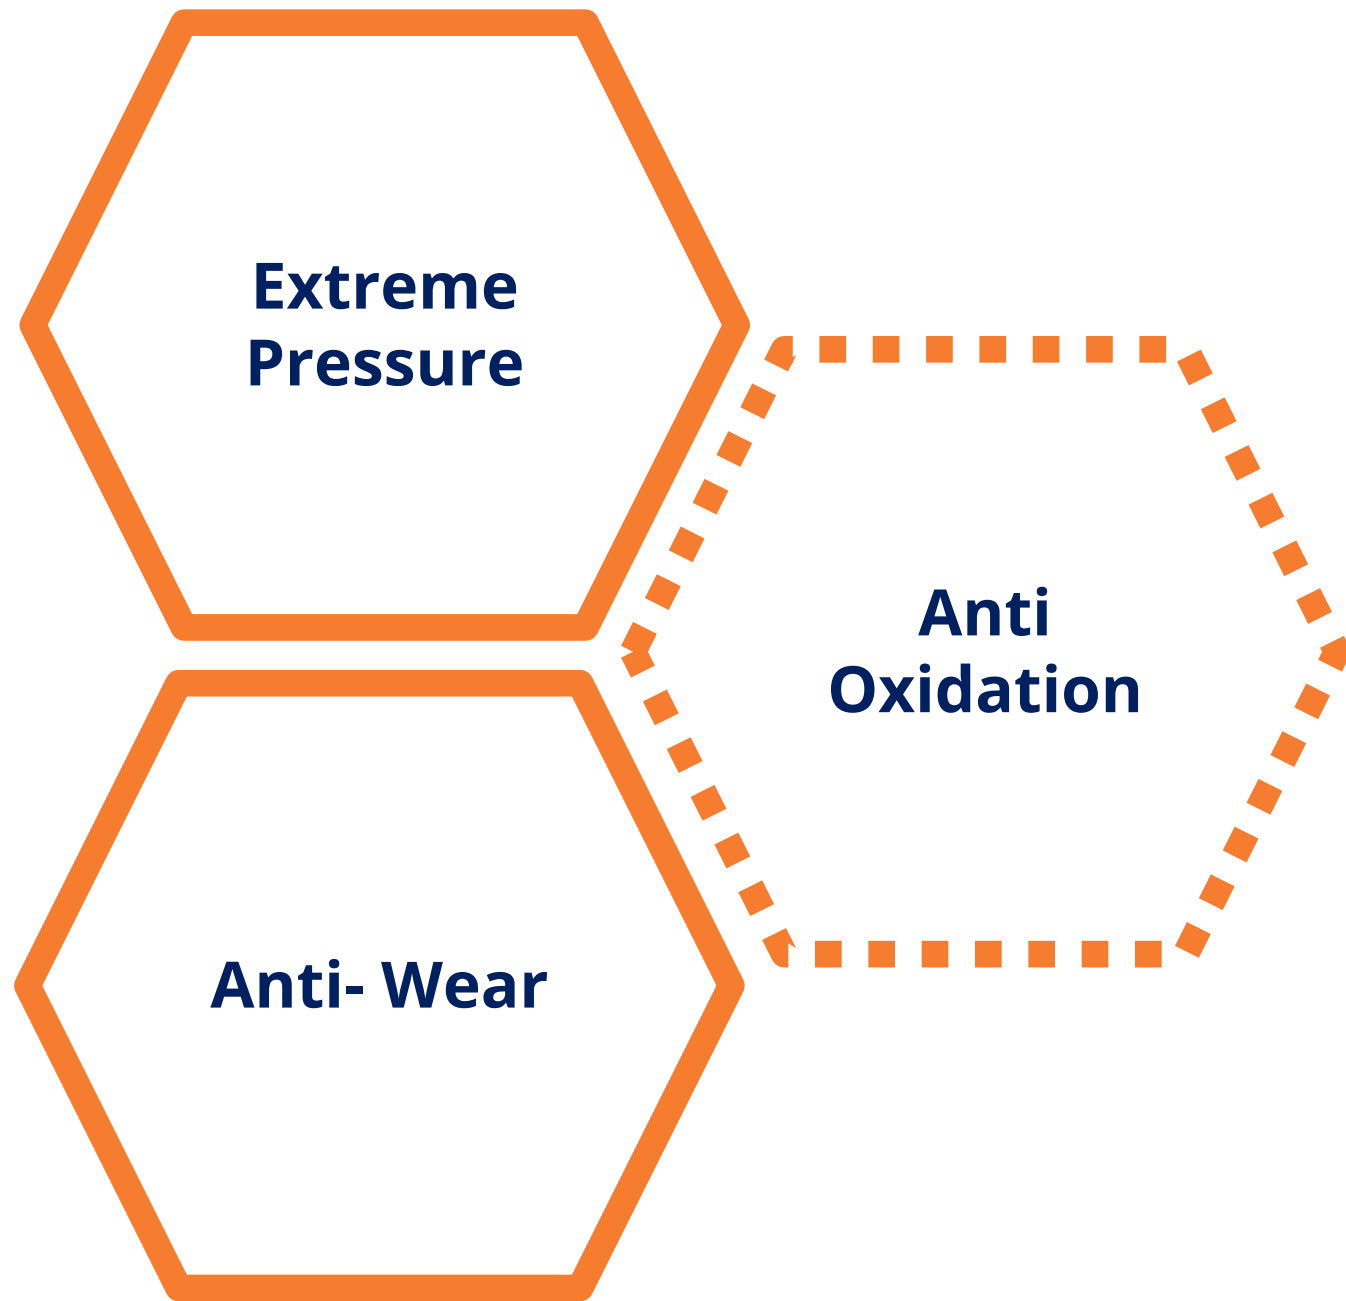

### Product Advantage

- Our product offers effective evaporation control, features a mild fragrance, and possesses a high flash point.
- It does not leave any sticky residue and has excellent lubricating properties.
- It withstands high pressure and effectively prevents wear, thereby extending the lifespan of tools and dies.

Advantages Lubricant Engineering Company

# Neat Cutting Oils Lube-Cut

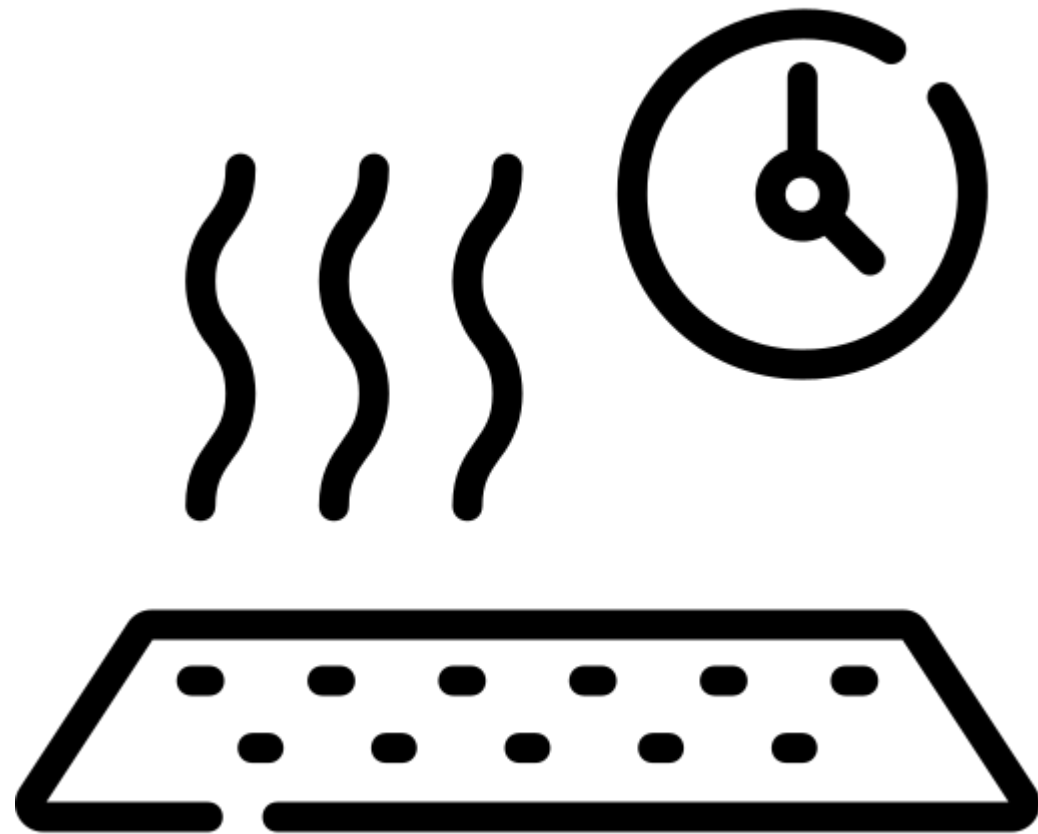

## Product Advantage

- It helps reduce heat and friction during cutting, turning, and grinding process.
- The surface of the machined workpiece is smooth, and debris does not adhere to it.
- It provides lubrication without generating smoke from heat or causing sparks.

Advantages Lubricant Engineering Company

**Drying Time**  
**1-15 min.**

## Cleaner Fluid

# Lube-Clean

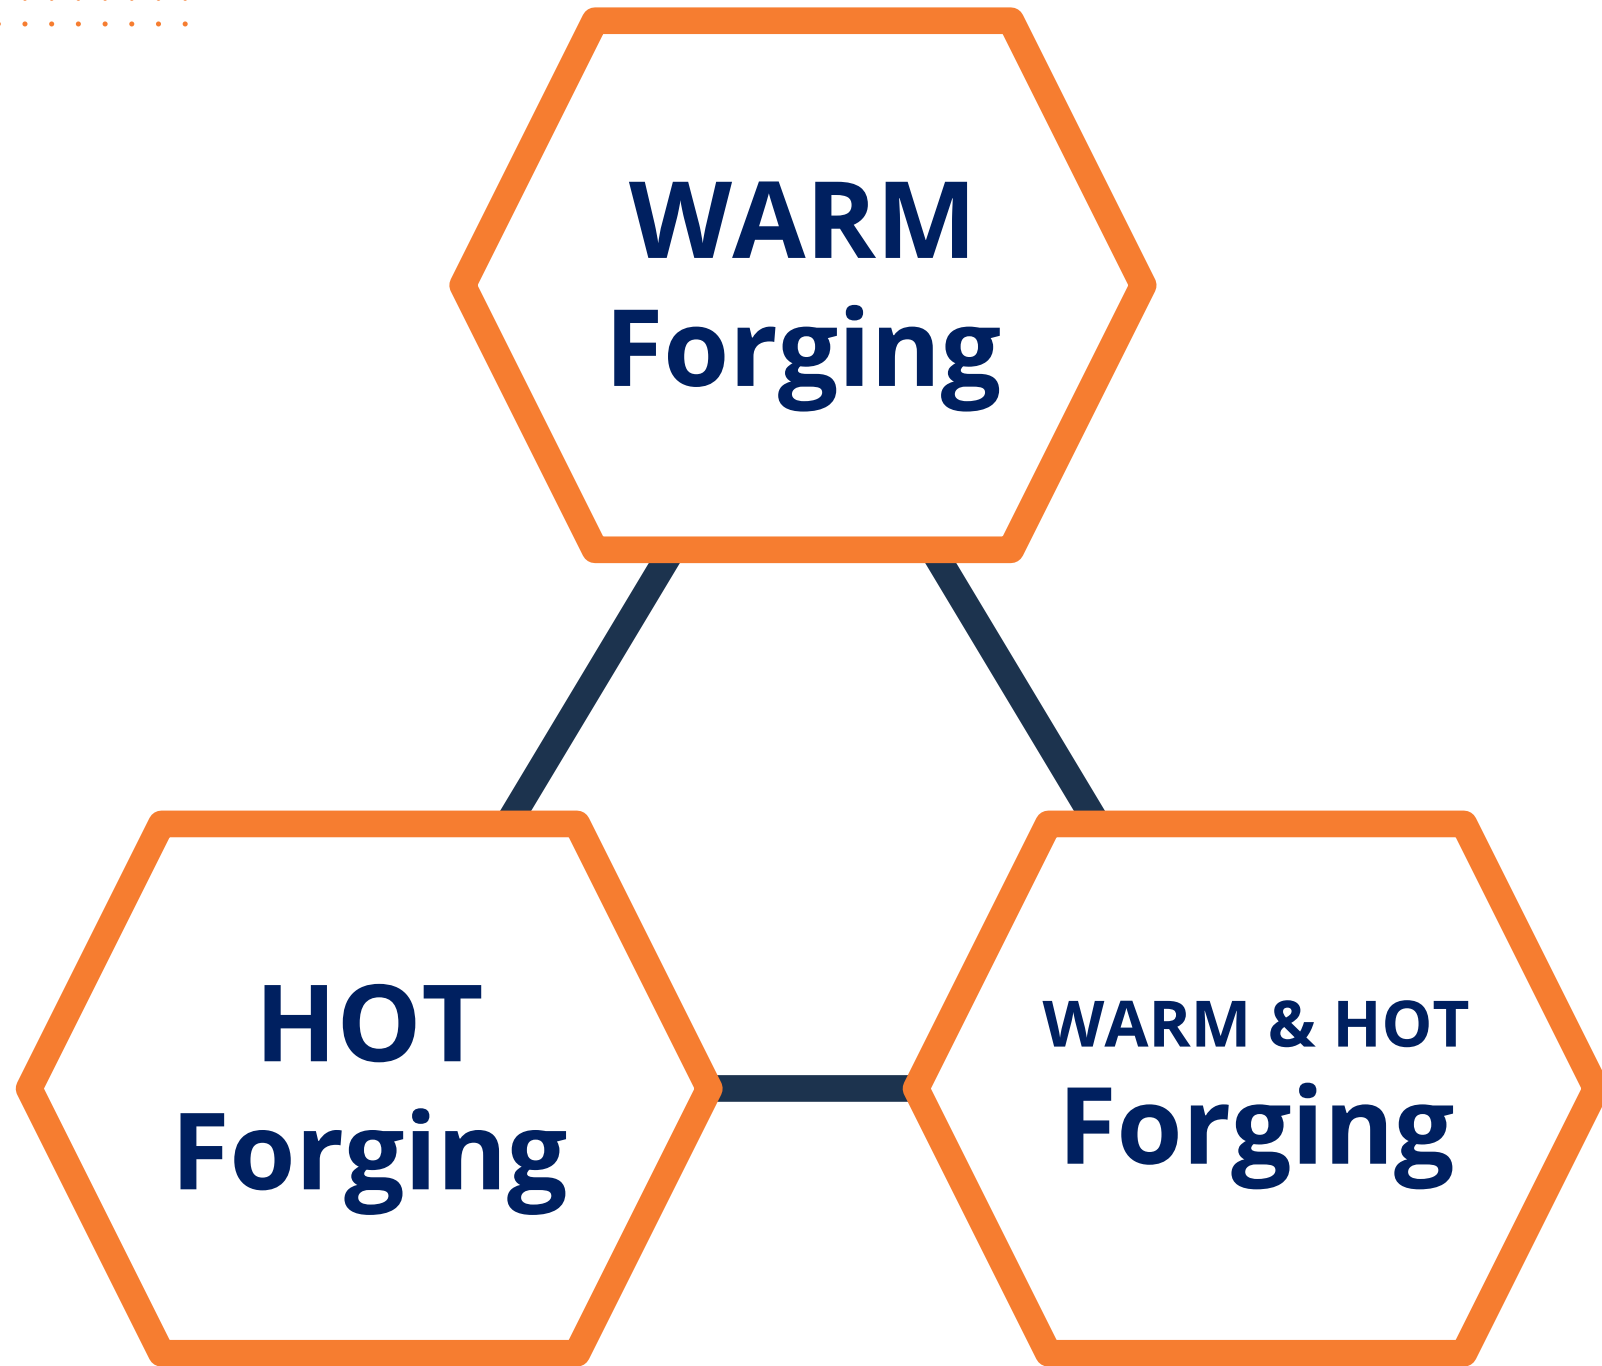

## Product Advantage

- It effectively removes residues and evaporates efficiently.
- It contains additive that effectively remove stains such as oil and grease.
- It is a cleaning solution with a mild scent that is not overpowering.

Advantages Lubricant Engineering Company

# Forging Lubrication Ramudo

## Product Advantage

- Not generative smoke, High efficiency lubrication
- It effectively for forming and pressing are easier
- Suitable for high-temperature applications, enabling effective forming, pressing, and good production.

Advantages Lubricant Engineering Company

# Randocast Diecasting Product

- **Plunger Lubricant**
- **Die Release Lubricant**
  - **Silicone**
  - **Non-Silicone**

# Product Package

1 Liters – Pail (Online Only)

5 Liters – Drum (Online Only)

18 Liters – Pail

200 Liters – Drum

500 Liters – Bulk

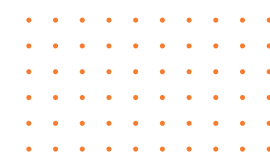

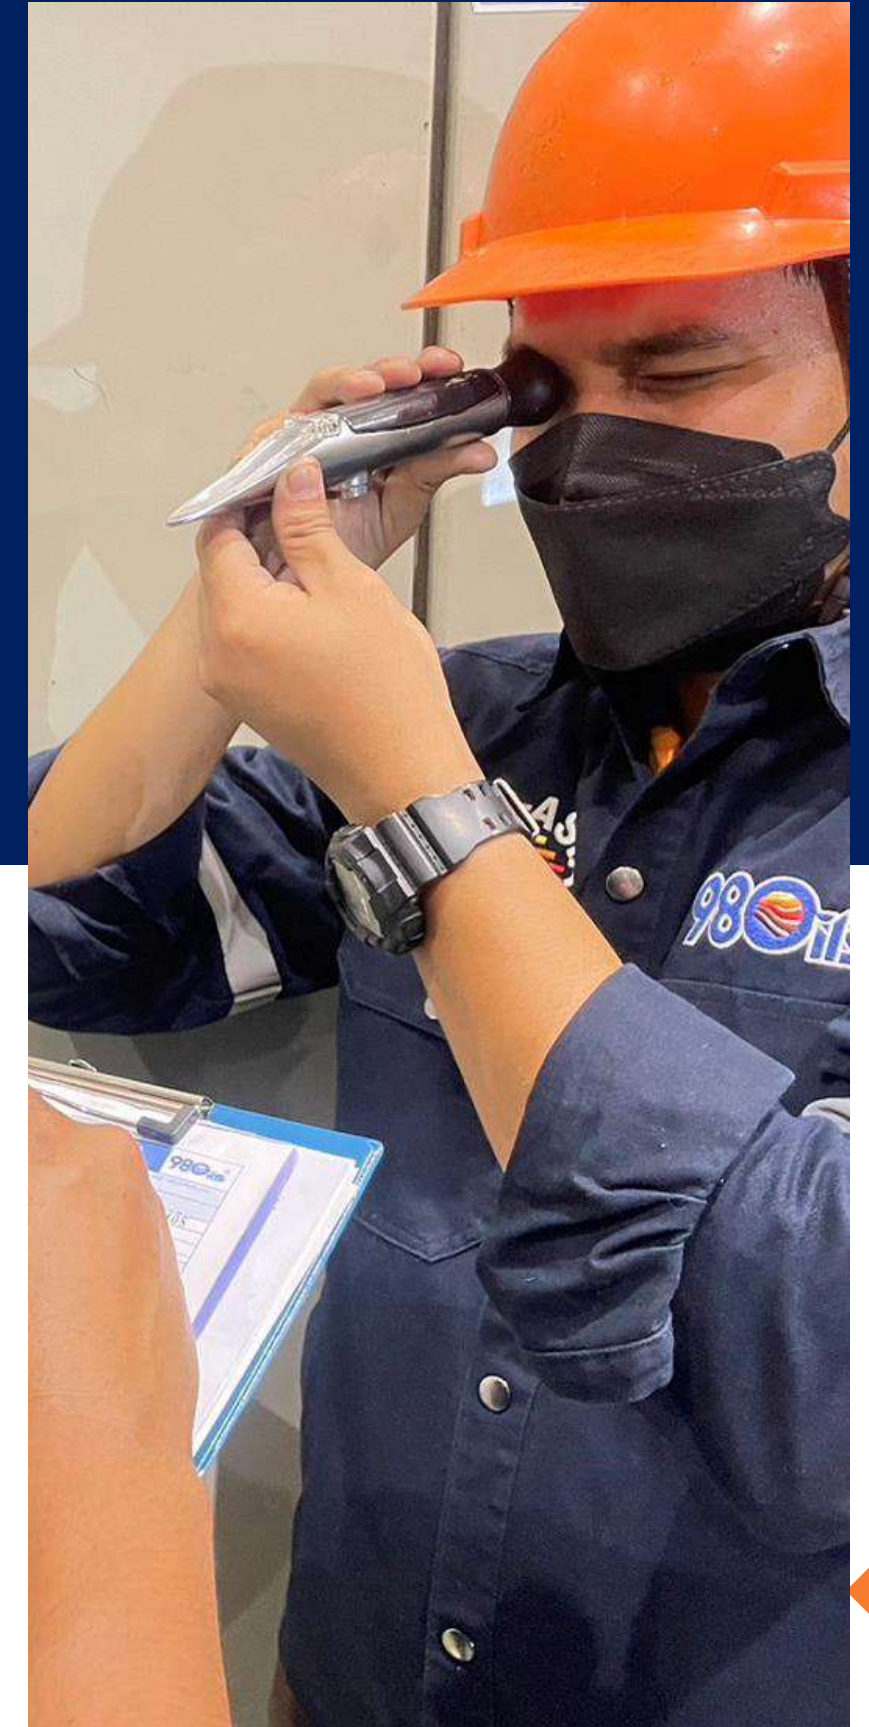

1000 Liters – Bulk

Advantages Lubricant Engineering Company

# After Sales Service

- 01.** Onsite Quality Check
- 02.** Machine Cleaning
- 03.** Coolant Well Cleaning
- 04.** Laboratory Check
- 05.** Solve problem
- 06.** Advisor/Recommended Use

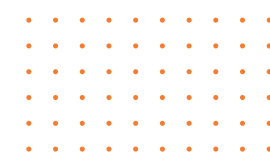

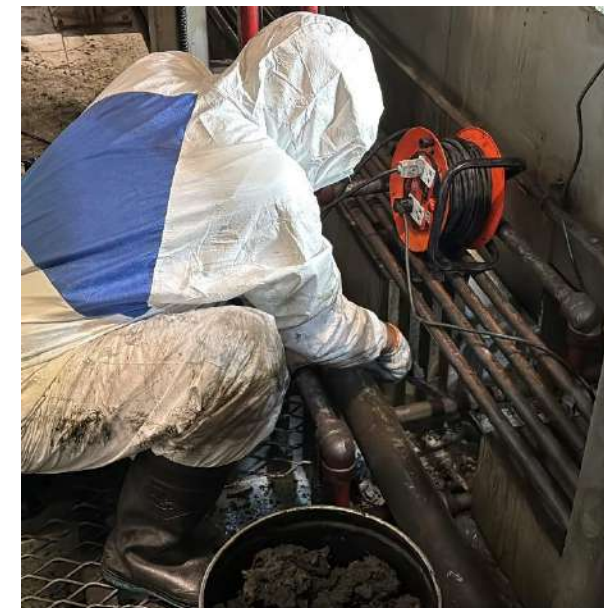

Advantages Lubricant Engineering Company

# Rando Service

01. Coolant tank cleaning service , skim of tramp oil.
02. CNC machine cleaning and flushing services.
03. On-site service for checking coolant concentration , pH and more.
04. Coolant testing service with analysis results (Lab Report).
05. Refill with Additive , Antibac , Antifoam , Lube-Clean MC.
