

Advantages Lubricant Engineering for Industry

# LUBE-KOTE (Rust Preventive Oils)

## Section 1 : General Information

Customer Name : \_\_\_\_\_ Date : \_\_\_\_\_  
 Company Name : \_\_\_\_\_ Address : \_\_\_\_\_  
 Tel : \_\_\_\_\_ E-mail : \_\_\_\_\_  
 Contact Person : \_\_\_\_\_ Position : \_\_\_\_\_ Tel : \_\_\_\_\_  
 Manufacturing Process : \_\_\_\_\_  
 Product : \_\_\_\_\_ Major Customer : \_\_\_\_\_

## Section 2 : Raw Materials

Steel  Aluminium  Others \_\_\_\_\_

## Section 3 : Type of rust preventive oil

Solvent Base  Water Base  Oil Base

## Section 4 : Used Product

Name of RP oil	Distributor	Price	Concentrate	Remark
1.				
2.				

## Section 5 : Type of film

Dry film  Oily film  Greasy Film

Drying time : \_\_\_\_\_ Film Thickness : \_\_\_\_\_

## Section 6 : Next step for sending

Domestic  Export

## Section 7 : Storage

Indoor  Outdoor

## Section 8 : Period of protection

1 - 3 months  3 - 6 months  9 - 12 months

## Section 9 : Method of Applications

Dipping  Brush  Spraying

## Section 10 : Problems or Improvements

Corrosion \_\_\_\_\_  
 Color \_\_\_\_\_  
 Odor \_\_\_\_\_  
 Film \_\_\_\_\_  
 Period of protection \_\_\_\_\_  
 Others \_\_\_\_\_
